

The James Kotvas Family

Missionaries to Peru, South America and Beyond

Dear Friends and Family,

For the preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God.

1 Corinthians 1:18

We are so grateful for your continued prayers and support. We are privileged to partner with you in declaring the message of the cross to the world. Praise the Lord that the cross of Christ is still the most

relevant, significant, and powerful message ever told to mankind. Let us never lose the wonder and weight of that message.

MINISTRY NEWS

As usual we have covered many miles and are thankful for the Lord's safety. We have been privileged to present our ministry in conferences and meetings at both Spanish and English churches. Our current support level is 42%. We are overwhelmed by the generosity and hospitality of God's people. Thank you!

While deputation is about raising the necessary funds to get to the field, it is also an amazing opportunity to be a blessing to individuals and churches. We are thankful for several specific instances over the past couple months where the Lord allowed us the privilege of seeing God use our lives to impact others.

FAMILY NEWS

Over the past couple months, we are thankful that we had the opportunity to spend some time with our family and friends.

Elsie loves playing with her friends and cousins. Jimmy has become quite the climber. They love breaks between our travels and always look forward to the next nursery and the kids they'll meet there.

We are also very excited to be expecting another baby. Ann is due to deliver in November. Due to the risk of having the same complications that she experienced with the last pregnancy, Ann will not be able to travel for a good portion of the next few months. Unless things change, I will continue to travel as much as possible and one of my sisters will be staying with Ann and the kids to help them. We appreciate your prayers for this situation.
