Missionaries to  
Argentina

May-June 2021

Dear Pastor & Praying Friends,

We are so grateful for your faithful prayers and support to the work down in Cordoba Argentina. We could not be serving down here without your prayers and support.

Lord willing, we are planning a furlough at the end of this year and most of 2022. David has started to contact our supporting churches by email and/or phone about giving an update in 2022. We have been able to schedule some meetings. If you would like for us to come and give a report/update, feel free to reach out to us. My number is (786) 453-5295.

There were always rumors of closing businesses and churches down, and it has happened. At the end of May through June, they banned all social and religious gatherings due to Covid-19 cases on the rise. We have resorted back to doing all of our services through online video platforms. Praise the Lord we are able to connect with the people and have services that way. We pray and long to gather once again in person soon.

We are so grateful for the arrival of Exequiel, a young Bible College graduate, who has come to help us in the work at New Hope Baptist Church in Cordoba, Argentina. Exequiel is from my dad's church eight hours North from the city of Tucuman. He will be taking over the work while we are gone on furlough. He has a humble heart ready to learn, serve and is willing to give himself to the work of the Lord. Please pray for his transition and adaptation to a new place and a new ministry.

We had our first snow in June since being on the field. There was about two inches of snow that came down in our city. It had not snowed like this for 14 years in Cordoba. After a very rough year it was a highlight for the people here to see snow. We too greatly enjoyed this blessing from Heaven.

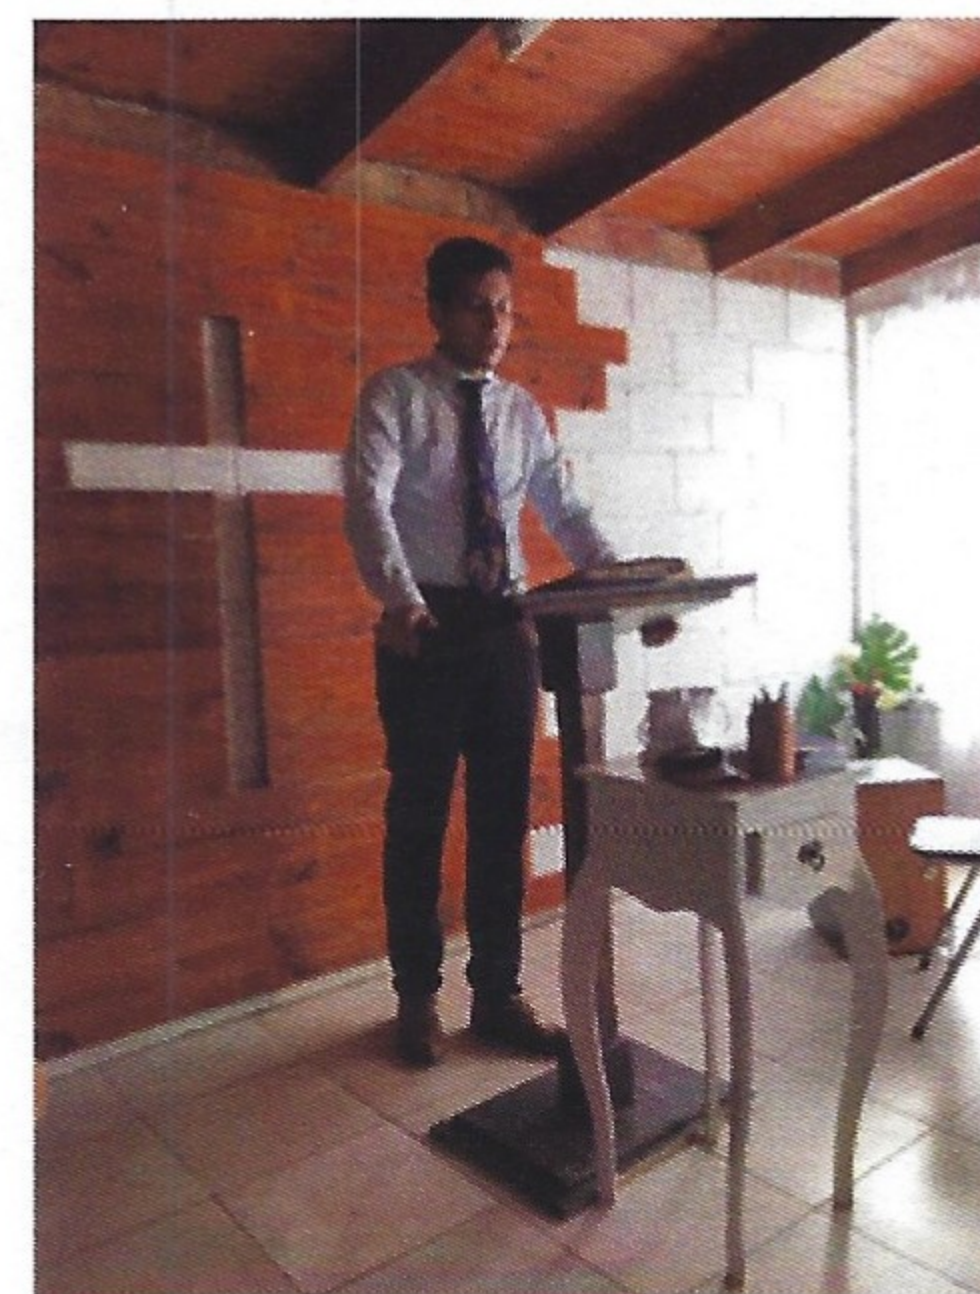

We beg your prayers for our discipleships/Bible Studies with Fabrizio, Gonzalo, Oscar, Mariana, Susana and Debora. We hope to start new ones with Diego, Sabrina, Belkys and Ayelen. Please pray that the members will faithfully attend the online services and not get discouraged. Thank you so much for all that you do for missions and the cause of Christ down here in Argentina! God bless you!
