

James and Cathy Hansard

Missionary Director

USA EAST CHURCH PLANTING

Dear Co Laborers In Christ,

May-June 2021

Vision Baptist Church of Crestview has had 5 new members join the church since our charter service and presently we have new people visiting. Others are beginning to return after the Covid precautions. The monthly preacher's fellowship continues to grow with pastors from all over the Florida panhandle and Alabama joining with us for fellowship and encouragement. Our ladies enjoyed a Mother's Day luncheon where Cathy was honored to bring the devotion.

For our May canvassing we placed about 88 door hangers on the houses in our neighborhood and for June, we put them on approximately 175 homes, in the neighborhood, of another church member. We plan to visit all the homes in the neighborhoods of our Vision Church Family first.

Our present church building is no longer an option for us to rent so we had to vacate the premises at the end of June. After much prayer and searching for many other options, we have decided to temporarily meet in the office of a church member. This will allow us to have all our weekly services at our usual times. We will continue to look for a permanent place to meet as we add to our building fund.

Our USA East family has grown once again with the Chacon family joining our Hispanic Church Planters in Ohio. Please continue to pray for several of our team members with ongoing health issues; Brother Ben Millican, Brother Jerry Nye, and Brother Verlin Oliver.

Will you consider Brother and Mrs. Alan Saunders who need to raise monthly support? The Florida church they have been helping is in the process of considering a pastor, so Brother Saunders will be available for meetings. You can contact him at 404.934.7003. Missionary Jesus Chico Rendon is doing a great work with his Hispanic Church and is also in need of support. If you recently had a missionary resign and you are praying about where to place those funds, please consider Brother Saunders and Brother Rendon. You may contact the mission office for further information.

In May and June, we enjoyed a few days of family time with our sisters, visits from 4 of our grandchildren, and we attended the annual Hansard reunion which was canceled last year. We are grateful for our families and the time we can share with one another as schedules allow.

On May 24th Cathy saw a doctor for some concerns she had, which resulted in an ultrasound the next morning. The ultrasound determined that a biopsy was necessary. After two weeks we learned that she has uterine cancer. It was discovered as a stage one, grade one, well defined, which is the best scenario. She is scheduled for surgery on July 14th in Pensacola so please pray that they will be successful in removing all the cancer and that she will not need any further treatment.

Once again, we appreciate all our supporters both church and individuals. Your prayers and financial support are the only way we can continue to serve the Lord in this capacity. We have been invited to preach a mission conference in September. If you need our help in any way, please let us know.

Looking Unto Jesus,

James and Cathy Hansard
