*Field Director for Mexico and Central America  
Administrator for MWBM  
Interim Director for MGPI*

**May/June 2021**

Dear Pastor and praying friends,

With great joy we write you again, thanking you for all your prayers and support. We are so grateful for all you do for us. You are a vital part of our ministry as together we strive to serve the Lord and reach lost souls.

It is so good to see the churches getting back to normal services after covid. It has been a great honor to preach at several churches this year, doing our best to encourage them in their missions outreach. Thank you churches for being so faithful in helping missionaries carry the Gospel to a lost and dying world, even as you went through difficult times with all the quarantines and other aspects of the covid restrictions.

Continue to pray much for our missionaries in Mexico and Central America. Three different ones have had some sort of surgery since our last letter. All three are there on their field of service. One of them still has a long road to recovery, but is doing all he can for the Lord even while recovering.

We rejoice that the Lord has sent us two new missionaries. The Thomas Hector family going to Guatemala, and Jeb Biddy going to Mexico. If you would like for them to come by your church, please contact me and I will get you in touch with them. I know they would be a blessing to your church.

In our last letter we showed this picture of 385,000 of the "one million" tracts that we were printing and preparing to ship to Honduras!

We are happy to give this next update. Continue to pray with us until we can get the tracts to the missionary's field, then into the hands of needy souls.

Here is a picture of the one million, one hundred and seventy-five thousand, eight hundred ninety-eight tracts printed, folded, packed, and ready to ship to Honduras.

These will be shipped to our MWBM missionary LeRoy Rolston, and also includes fifty thousand tracts in the Miskito language that are going to our MWBM missionary Gene Trask there in Honduras. These missionaries not only distribute tracts themselves, but also distribute cases to other missionaries and national pastors.

We had hoped to have them shipped already but are about \$3000 short on the shipping cost. We have enough to ship from here, but we don't want the missionary to have a heavy burden on their end when it arrives at the port in Honduras. This part is to cover the port fees, broker fees, and transportation from the port to their doorway. If you should want to help out you can send a gift to MWBM marked "Honduras Tract Project" or give me a call for more information.

We try to thank you in every letter for your faithful prayers and support for our family and ministry. Once again, thank you from the bottom of our hearts. You are a big part of everything we are able to do for the Lord.
