

LIMAS IN NOVA MUTUM, BRAZIL

JUNE- JULY 2021

Dear Friends,

“I press toward the mark for the prize of the high calling of God in Christ Jesus.” Philippians 3:14

Our family has been studying through the book of Philippians during our devotional time and what an encouragement and challenge it has been to us! We are thankful for the privilege to serve the Master. Our desire is to press toward the mark and continue serving Him faithfully and joyfully.

In the last month, we had three families that moved away to other places because of new jobs. This was sad for us. We lost over half our already small number. Our hearts are saddened that none of the three cities these families moved to have a like-minded church where they can attend and grow. *Pray for more laborers.* We continue to travel and have Bible studies with one family that moved closest to us. Despite losing these families, God has blessed. He has brought so many visitors! Several have been coming to every service lately. *Please pray God will work in their hearts and they will be saved.* We have had more people than we did before with the families that moved away! God knows how to encourage our hearts.

In June, we hosted a couple’s banquet for our Valentine’s Day. We had 7 couples sign up and come. Most of them, unsaved. Several have returned to our services after the banquet. We had a great time and were able to share the Gospel clearly. *Please pray that the seed sown will bring forth fruit.*

Liliyanna turned 1 on June 21st!
We are so thankful for her!

My wife’s Sunday school class has also grown. She is teaching an average of 13-15 kids each Sunday, all in different age groups by herself while I teach the adults. This has been challenging for her. We are praying God will raise up someone else to help her. *Please pray for this need.*
Thank you for your faithful prayers and support for our family and God’s work in Nova Mutum.
