

the Home Office

Quarterly Newsletter

August 2021

Greetings to you from the Home Office of Macedonia World Baptist Missions. These are busy, yet exciting days as we have seen the Lord continue to work on our behalf. We thank the Lord for His goodness and mercy and for allowing us to have a part in His great work.

those that were in attendance. We are already planning for next year's Reach The World Youth Conference. The date will be Saturday, June 18, 2022. Mark your calendar now and plan to attend.

On September 21, 2021, we are planning to host The Church Conference at Ambassador Baptist College. This is an expansion of the Church Rescue Workshop we were blessed to host several years ago. We look forward to sharing ideas regarding church planting, church growth, and church rescue at this conference. We need strong, growing, thriving churches. Our prayer is that God will use The Church Conference to strengthen churches. We would love to see you there. This is a free conference, and lunch will be provided. Please register on our website at www.mwbm.org.

Also in September, we look forward to having our Annual Conference. This year's conference will be held September 26-29 at the Zion Hill Baptist Church in Greenville, South Carolina. Let me encourage you to make your plans now to join us for these days. The Annual Conference is always a highlight for our missionary families, and we know you will be blessed by it as well. This year, we have 30 missionary families that are already planning to be there. We believe this will be one of the greatest Annual Conferences ever.

In closing, on behalf of the office staff of Macedonia World Baptist Missions, let me say thank you for your part in reaching the world with the Gospel. Your support of the Home Office is a great blessing to us all. We depend upon your prayers and support to do what we can to assist our missionaries as they reach the world with the Gospel of Jesus Christ. It is our desire to be busy for the Lord until He comes back, which we believe is not too far away.

In the past few months, we were blessed to be able to host two great meetings aimed specifically at young people. We are praying God will use these meetings to deal with their hearts and call many of them into missions. In April we were blessed to host the Georgia Youth Fellowship Spring Rally. This was a great meeting with many young people in attendance. Then in June, we hosted our first annual Reach the World Youth Conference. This year's theme was Step Out. We had a great number of young people attend. Our specific target ages were from 15-25, and we saw many from that age range in attendance. We praise the Lord for the decisions that were made in these meetings and trust the Lord to continue to work in the hearts of

Dr. Travis Campbell
Assistant to the General Director
