

# *The* Oliver's Missionary Helps

Bonnie & Verlin

Dear Pastors and Praying Friends

July 2021

Greetings in the wonderful name of the Lord Jesus Christ our soon coming King. This could be the day or the year that our Lord will come. With this thought in mind **Thank the Lord I am Saved.**

I desire your prayers, things this year have rough but God is so good that I can't thank or please Him enough. As some already know my wife of sixty one years and eight months went to glory April 30 of this year.

In May of 2019 we learn that our white cell were high and I sent to Novant Health Hematology. My count was 37,000 in May but the Doctor did start any treatment and that we would watch with blood test.

May 27 2020 I had lower back surgery and was in the hospital over night. The pain after surgery has been worse then all the past back surgery.

I was sent to orthopedic doctor to work on my knees and hips. With that help we are doing better.

On May 2nd Bonnie had a stroke and was in the hospital over night. The day I went for surgery she was washing my back in preparation for the trip to the hospital and fall in the bath room and cracked a rib.

In October Bonnie had pneumonia and hospitalize for a week. April 23 she was admitted to the hospital because of circulation problems in her left leg and may haft to remove the foot.

We both have had our Covid 19 shots the last was on February 3, 2021.

On March 10 I tested posited for Covid and pneumonia and a elevated blood count and hospitalized and released on March 13, 2021. I was readmitted on March 24 to the hospital for four days. I now have a problem with oxygen level and have appointment with a Pulmonology doctor July 9 at 8:30.

Please pray that God's will be done and we can continue helping Churches that badly need help. We are working on scheduling a dispositional truth series with Brother Rubert Hutchins.

*Dr. Verlin K. Oliver*

The harvest truly is plenteous, but the labourers are few;
