MISSIONARIES TO WALES

June 2021

Dear Pastors, Churches, and Friends,

A man's heart deviseth his way: but the Lord directeth his steps. - Proverbs 16:9

We were indeed reminded of the truth of this Scripture this past month. Our plans for June were to visit several churches, raise more support, attend and help out at our mission board's big youth rally, and get closer to Wales. While we did accomplish a couple of those things, we spent most of the month resting and recovering.

The first week of June, we were at churches in West Virginia, Virginia, and North Carolina. On our way home from those meetings, I developed some intestinal issues. It took a few weeks and a trip to the local Urgent Care before I finally felt like myself. However, during that time, as Dana cared for me, she aggravated an old back injury and found herself out of commission for a couple of weeks. We were quite the pair!

Fortunately, by the end of the month, we were both recovered enough to make our way north again. We had meetings in Georgia, North Carolina, Delaware, Maryland, and Pennsylvania, where we enjoyed time with family and friends and had the privilege of meeting many new brothers and sisters in Christ.

I'm also pleased to announce that we have received all the hymnals we need for Wales and enough Bible study and Sunday school materials to last us for quite some time. What a blessing! We are so grateful to each of you who had a part in supplying these items to us.

As we grow closer to our departure for Wales, we continually find ourselves in awe that God would choose to use us in such a mighty way. We are so excited about the work He has set before us and are ever making plans to reach Wales for Christ. We are so grateful for the many opportunities the Lord has placed before us and for the numerous wonders He has allowed us to be a part of.

We are also thankful for each of you. Without your prayers and support, we could not do what we are doing. Thank you for having a part in our ministry and for keeping us in your thoughts and prayers. We love you and thank God for you!

We have many miles to cover in July as we make our way to Louisiana and Texas, then back to Pennsylvania, Georgia, and South Carolina. We're praying the Lord will keep us safe and also provide the remaining 27% of our support over the next few months. We're still hoping for a late October/early November departure for Wales, but it's all in the Lord's hands and timing. We know He will do what's best.

In Christ's Hand,
Jason and Dana Rongione
