Dear Friends in Christ,

Patti and I celebrated our 43rd Wedding Anniversary this month! All but two of those years have been in full-time ministry. We were reminiscing our early years of marriage when we were missionaries on an island with no electricity or running water, and wondering how we were able to do it. Oh to be young again! We loved every minute of the ministry then and still love what God allows us to do in helping churches across America.

We continue to work with the church in the panhandle of Florida. They have a couple of potential pastoral candidates they are prayerfully considering. Please pray with them and for them that God will give them wisdom as they chose their next pastor.

At our age we still enjoy being on the road. We average a little over 4000 miles a month and some months, 5000 miles. God has been gracious to us in providing us with safe traveling mercies. We know that all of you pray for us on a regular basis as we travel. We do not take for granted the prayers of God's people...thank you.

In September we are hosting a one day, "Church Rescue Conference" at Ambassador Baptist College in Shelby, NC. We are endeavoring to encourage pastors to become actively involved in helping us to keep the church doors open across America. Please pray with us and for the pastors coming to this conference, that God will do a work in all our hearts and give us a burden for the churches closing their doors throughout our nation.

Once again, Patti and I want to thank each of you for your faithful prayer and financial support. We are excited each time we see God breathe new life into a church. May God help us to faithful until He comes.

In Christ,
Alan & Patti Saunders
