

July 2021

Dear Pastors and Praying Friends:

The summer has started out busy. As I write this letter, it is the day after our summer revival. It started July 4th and went through July 7th. July 3rd, we entered a float in the 4th of July parade that the city of Rolla has and bagged and distributed 800 bags of candy, tracts, church brochures, a Bible app and invitations to a youth rally and revival. Several rode on the float and threw out the bags while two men walked on each side of the float and handed out bags with the Bible apps in them. After the parade, we met at the church for lunch and then practiced a skit. That evening we had a youth rally with skits and music, games and preaching. Several teens came to the altar. Sunday morning we started the revival and had a cookout after the service with burgers, hot dogs and barbecued chicken. The last night of the revival we had pulled pork sandwiches. During the revival some came forward and told the Lord they were ready to serve him. Three teens were also saved on the last night. There were people at the altar each service. It was a wonderful revival meeting in a time when our church, as well as many churches, were struggling to move forward due to Covid and the resulting shutdown of our country. The Lord was moving, and I expect great things to take place this year.

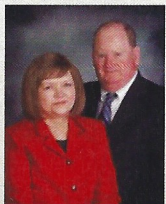

However, the devil has already started doing his work. One of the girls that was saved joyously came up to me last night and wanted to know when she could get baptized. I told her soon. I learned last night that after my daughter-in-law took her home she must have told her parents, and they told her she couldn't be baptized because they were Catholic and the Catholic church says it is a sin to change religions. I imagine this young lady lost some of her exuberance when she was told that. I am going to try to talk with them Saturday, and I have asked our church to be in prayer that I would have the opportunity to reach the whole family for Christ. Please pray for this situation. We have lost too many like this.

We are still having trouble getting some projects done at the church. We are looking to build a handicap bathroom and replace our front concrete steps. The ones that are going to do this got so far behind due to their construction projects being delayed last year that they haven't been able to get to us yet. Hopefully, we can get this done before winter. Due to a friend's generous donation and some giving to these projects in our church we have the finances in place to get it done, but like the Lord said in Matthew 9:38 we need to pray for laborers.

Krista, my daughter, had to come to the states in May for treatment for an illness. She is doing better now and has an appointment with a specialist this week to determine the treatment she needs. Please continue to pray for her. Kevin and his family are moving to Oklahoma to start a church for Hispanics. My wife and I are doing good with the usual ailments that come with getting older. It looks like we will have to get another car or truck soon. Both are having the usual ailments that come with getting older as well. We need a four wheel drive truck up here in the winter time, but our traverse, which is all wheel drive, has a lot of wear and tear on it as well, and the transmission may be going out on it. However, I am not sure about that. Please keep praying for us. There are many more to reach and we are committed to doing just that. Thank you.
