THE CAMPBELL FAMILY

MISSIONARIES IN QUEBEC

As I write this afternoon, the summer wind is stirring the green leaves of the tall maple trees that surround our yard. Quebec summers are great for getting outside and appreciating the beauty of God's creation. As I listen to the stirring of the leaves, I think about the stirring of the Spirit of God among his people and our prayer to witness such an awakening here in Quebec.

In spite of all the uncertainty and changes we have experienced this past year and a half, we can still say GOD IS GOOD. We have seen God convict and soften hearts, draw the curious and encourage the faithful. Often times in the ministry we look for big things to share and big ways God is working. But through these times of restrictions, we have been able to change pace, reevaluate our priorities and just take time to appreciate the little things.

This summer, we were able to baptize two new believers. It's great to see the Lord at work in their lives and to see their desire to follow the Lord even though sometimes it has meant making tough decisions. It was encouraging to see some of their friends and family come for the service and we pray that they will also come to accept the Lord. We also had a membership service for several who have been coming faithfully and growing in their faith. We continue to have new visitors regularly from the community as well.

This summer we have been working hard to update the outside of the church building. God has blessed us in providing the materials and the laborers

necessary for this project. There is still some work to do to finish but it is already a great improvement!

Our homeschool year finished well, and thankfully there were no problems with the documents we were required to submit to the government. We praise the Lord for His protection of our son Dakota. One evening in July, right before his baseball game, he was hit by a ball that fractured his nose. Thankfully he has recovered fully and quickly with no permanent damage.

Sarah's mom was able to take Ashlyn to a summer writing camp at Pensacola Christian College. It's great to see her developing the talents God has given her.

We are preparing now to do some much needed renovations on our house. Please pray for this project that the work can be completed quickly and without injury and that we can find all the building materials needed and for a reasonable price!

With all these different projects and ministry demands, we need your prayers that God will guide us and sustain us. It is difficult when you have many "irons in the fire", but we are trusting God to see us through. Your faithful prayers and support are a great encouragement to us! We appreciate each and every one of you who give, pray, call, write and who take the time to read our updates. If you would like to know more about our ministry please don't hesitate to contact us. May the Lord bless you all!
