## To our Beloved Brethren in Christ,

July 2021

**Our Report:** This month began quite differently than we expected with Benjamin spending two nights in the hospital. As we informed you last month, several tests were ran and no real conclusions could be reached. There is another test scheduled for August which may provide some answers. Would you please pray concerning this, and for the will of the Lord to be done in all of this. We praise the Lord that the symptoms which led to his hospitalization have almost completely went away. Our Lord has given much grace, but it was necessary to take off the first half of the month of July in order to rest and allow for some physical healing; this also allowed us some time with our home church, which was a blessing. It was also necessary for Benjamin to begin receiving physical therapy to help relieve and correct some issues with his back. The therapy has proven helpful and we resumed our deputation schedule back on July 18th, but the travel has proven to be more difficult than previously.

We are rejoicing in how the Lord gave us the privilege to minister to saints and sinners alike this month and humbled that God used some of our statements recently during a missions presentation along with the words of the guest preacher to confirm the call of God upon a young man's life into the work of Missions. Praise the Lord for raising up another laborer for the harvest field. May we never forget the words of Jesus our Lord, "Say not ye, There are yet four months, and *then* cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest." (John 4:35). We continued sowing the seed of the Gospel while home and not travelling. We have been unable to speak with Tommy again at his workplace, nor been able to contact him successfully by phone—please pray for the Spirit of God to convict him that he may be "cut to the heart" (Acts 5:33) and be converted to Christ. We are trusting God to use the Bible we gave him to bring him to the awareness of his lost condition.

## **Our Requests: Please pray for the following requests – and Thank You.**

- that God would use us to strengthen the saints!
- that God would use us to preach Christ crucified and risen again!
- that all of our children would come to salvation while they are young and tender.
- that Benjamin's health problems would be resolved or managed, in the Lord's will.
- that we would be able to find affordable housing in the vicinity of Redmond, OR.
- that our schedule would fill up for November 2021 – February 2022.
- that our support would be completely raised by February 2022.
- that the Lord would send forth Laborers into the Harvest fields.
- that there would be a genuine revival of New Testament Christianity among the Lord's people.
- for the peace of Jerusalem.

**Our Rejoicing:** We are rejoicing again this month as the Lord has provided 5 more supporters choosing to partner with us. We now have 65.3 % of our support promised. It has been our joy now since August of 2020 to meet many of God's servants and saints throughout the churches as we have travelled across the country informing churches of God's call upon our lives to plant churches in Oregon.

**Thank You** to all of our supporters and let us all rejoice in the rewards that will be handed out by our Savior at the Judgment Seat of Christ. As we strive to further the Gospel of Christ in our generation, God is producing fruit that is abounding to your eternal accounts. Only eternity will reveal the results! Let's keep pressing on for Jesus' sake! May God and His grace be with you all.
