Dear Faithful Prayer Warriors,

Greetings in the matchless name of our Lord and Saviour, Jesus Christ. It is our prayer this letter finds you well and rejoicing in God's richest blessings. Anita and I are grateful for your continued prayers and financial support. This month closes our 33rd year in full time missions. Only heaven will reveal all the lives that have been touched through your prayers and faithful financial support of missions.

The times in which we live continue to be filled with difficulties and hardships brought on by the Covid pandemic. Ministry opportunities are constantly changing as the covid number fluctuate. If we are not careful the headlines and constantly changing regulations will be the focus of our attention. We must be vigilant in keeping the main thing the main thing! We must focus on souls that are lost without Christ and headed for a Christless eternity in hell. The need for new church plants in America and throughout the world is greater than ever. Your continued financial support and prayers are needed now more than ever.

In my last prayer letter, I requested prayer for missionary Connie Anderson. The country of Haiti seems to bounce from one crisis to another. The U.S. Department of State continues its DO NOT TRAVEL advisory for Haiti due to kidnapping, crime and civil unrest. To make conditions even worse, the president of Haiti was assassinated on July 7th. The lack of law and order makes it difficult to find and obtain necessities such as fuel and food items. On August 15th Haiti experienced a 7.2 magnitude earthquake. **Sis. Connie Anderson and the children she cares for are all fine.** They experienced several jolts throughout the day as they experienced ongoing tremors. The death toll for the quake is already over 800 and will probably grow in the coming days.

Our granddaughter Amelia continues to grow and get stronger. While she is still on oxygen the family is enjoying having her home and the family all together. Amelia's weight is now nine pounds which is a far cry from the 1 lb. 11 oz. of her birth weight. Thank you for your prayers, calls, and text checking on Amelia. Anita and I appreciate your care and concern for our family.

In His Service,

David Fenley
