**Dear Pastor, Family, and Friends,**

Thank you for your faithful support. We just wanted to give you a quick update of all that has been going on in our lives and the work in Chile. We are grateful for your continual prayers and support. We pray and think of you often.

## **Quarantine Continued**

We have received good news that this month the entire city of Santiago is advancing into the third phase of quarantine allowing our churches to begin having in-person services. However, during the months of May and June all services were online, but praise the Lord our churches will get to meet in-person for the first time in over a year.

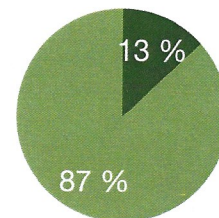

Pastor Juan Carlos has been in contact with me and has implemented a great plan for our church to meet again, and he has secured a temporary community center to meet in.

Please remember to pray for the church and ask the Lord to keep these doors of opportunity open.

## **Building**

WOW! The Lord really blessed in June with two offerings that were given of \$5000 and another offering of \$1000. This brings us to almost \$17,000. We still have a long ways to go, but we are overwhelmed by the generosity of these churches. Our church family in Chile was humbled to know that our supporting churches here in the states sacrificed so much for them to have a place to worship our Lord and Savior, Jesus Christ.

● Given ● Goal

Thank you again for all that you do to allow us to do what we do. We are eternally indebted to each of you.

In Christ,  
Jamie
