Church Planting  
Missionaries to New Mexico

August 2021,

Dear Christian Soldiers,

In starting this letter, the only thing I can say is God is in control. The last three months have had their twist and turns and ups and downs. This verse which comes to my mind is Jeremiah 17:7, "Blessed is the man that trusteth in the Lord and whose hope the Lord is."

Our fishers of men mission revival went great! Pastor Roland Mills introduced and challenged our people in the area of Faith Promise Giving. Our people responded and are excited about being involved in Faith Promise Giving. During the Mission Revival, we had the privilege of getting to know the Todd Uhl Family going to Nepal, South Asia. We were able to take them on for monthly support and we are looking forward to seeing God do great things through them to reach the people of Nepal.

It is a blessing when God gives you a heart of rejoicing during difficult times. On July 9, 2021, my Grandpa William Smith went home to meet his Savior Jesus Christ. I am going to miss him, but I am thankful he does not have to suffer anymore. In June, I receive a call from the company we rent our church building from saying that they gave our building away to Turning Point Ministries here in town. Turning Point is a Pro- Life organization that helps woman and girls to see through God's Word that they are valuable and that their baby is valuable in God's eyes. Pray for us and our people as the Lord leads us to the place he now has for us. We have started looking for a new place already and are hoping to have a new location by the first of next year.

We are planning on having a family fun day on the first Saturday in November to show the love of Christ in our community through fun games, delicious food, and the gospel message of Jesus Christ. Also, that first Sunday will be friends and family day at church; we are encouraging our people to bring their lost friends and family members so they can hear the preaching from the Word of God.

Pray with us as the Spiritual Warfare is raging in our church and our city. Satan knows he is running out of time and he is doing everything he can to keep the message of Jesus Christ from changing hearts and lives. However, we can hold on to and put our trust in the power of prayer and message of the Word of God. Jeremiah 33:3 states, "Call unto me and I will answer thee and shew thee great and mighty things which thou knowest not." Christians, rise up and pray again; God can and will do great things in churches and communities again if we just take the time to rise up and pray again.
