

PLANTING HISPANIC CHURCHES

THE CHACONS

MISSIONARIES TO OHIO

August 2021

Starting a new church always has its challenges but there are also so many blessings that occur as well. This month has been filled with activities surrounding the launch of this new church plant.

We have been visiting in areas where we know that there are a lot of Hispanics but we have also been going to the Hispanic supermarkets and talking to the people entering the store. We have seen some good results from this form of contacting the people. There are 5 of these supermarkets within a 10 minute radius of the church. On August 14th we had a group from the Spanish class of Temple Christian School in Mansfield, OH come and help us with a visitation blitz. We have seen two families come to the church from the areas we were in that day. It was a huge blessing. On another visitation day we were able to lead a lady to the Lord. Please pray for her and her family as they moved two weeks later. Pray they will be able to find a good church in their new location.

August 15th we officially launched the new church. It has been a blessing seeing God work out things, even to the tiniest detail. We have one family coming faithfully that were travelling to Cincinnati (a 2 hour drive one-way) in order to go to a church because they could not find one in Columbus. Another family moved from New York 6 months ago and have been searching, without results, for a church to attend. We are thankful to see how the Lord has led us here to start a church where there is such a great need. Please pray for us as we continue moving forward. We appreciate you all so much and we thank you for your continued support and prayer for this ministry.

Prayer Requests:

- For the Church to grow in numbers and in spiritual wisdom
- God's provision for the ministry and for our family
- Health for our family: Physically, Mentally and Spiritually
- Wisdom on how to reach the Hispanics in Columbus

I pray this letter is an encouragement to you. God is at work and we are excited to see what the Lord has in store for this new ministry. Through your giving you are a part of this! We appreciate you all so much. God Bless as you continue serving Him.
