6 Months in

These last couple of months have been full of growth & changes. This month of September will mark our 6th month of the Freedom Baptist Church. I must say planting a Church in this post pandemic environment has been unique, but we have seen the Lord bless in some very unique ways also. Over the last 6 months we have seen 3 Adults trust Christ & 1 get clarity/assurance of his salvation. We have met in 3 different location in 2 different cities as the Lord has allowed to begin this work for Him.

Most recently we had our 1st Baptism Service on August 29th and saw 5 follow the Lord in Believer's Baptism, including our son Judson. It was a wonderful and special time to share with our baby Church family. We have had the opportunity to begin our Youth Ministry as the Lord has given us 4 teenagers who come every week. We were able to take them over to Moses Lake, WA for a one day Youth Rally with some great preaching that the Lord has used to really impact their hearts.

During this month we will be sending out Direct Mailers to every door in our city. (7,750+) **Please pray that the Lord will bless these** as they are the 1st phase in our outreach plan for our area & will allow people to know we are here on a larger scale. We will also be following up with Door Hangers on every house in town (Phase 2), then to every home personally to introduce myself as the Pastor of the Freedom Baptist Church (Phase 3).

We could not be doing this without each & every one of you praying & giving toward the work of God. Thank you all so much for your love & support.
