*"Yea, so have I strived to preach the gospel, not where Christ was named, lest I should build upon another man's foundation: But as it is written, To whom he was not spoken of, they shall see: and they that have not heard shall understand."*  
Romans 15:20-21

Dear Prayer Partners,

April - August 2021

Greetings from the Land of Enchantment. I know this prayer letter is way overdue. As usual, we've got a lot to report. The Lord has been very busy over the past several months.

#### The Men's Prayer Breakfast

The Men's Prayer Breakfast is something we all look forward to. Each month the guys get together with covered dishes and have a time of fellowship. During the meal, our conversations cover just about anything you can imagine from hunting and fishing, to cars and boats, even sports and world events. There is a turning point, though, where we all get focused on what we came there to do: pray, seeking God's face and gathering around His Word. The MPB is a time of encouragement each month. We look forward to it, plan around it, and when it's over...walk away already planning for the next one. Pray for the group to grow. Sometimes we have a handful and sometimes we have a house full; but, we always come away with a blessing from it.

#### Team Lifespire Very Busy

Our nursing home ministry headed up by Brothers Al Sena and Joshua Lane is growing. A few months ago, they were called back into action by the owners and operators of several nursing homes in our county. Covid had completely closed up the nursing homes in our area. Finally, when they re-opened, the owners called for our Team and they joyfully jumped at the opportunity. The owners are planning to open two new facilities and have already asked our Team to minister to the residents. Please pray for them each week as they work and labor to win souls to Christ.

#### Liberty Baptist Church is Growing

During the past month, we had one family join the church. We've been praying for them for quite some time. They left the church several years ago and have been attending pretty regularly over the past several months. They came forward in August and asked to be a part of the church again. Their son, Martin, was saved after one of our evening services. We baptized him and two other young adults, Ryan and Samantha, two weeks ago. Ryan brought his mom and younger sister to church to see him get baptized. Pray for Rebecca, Alexi, and Andrew to be saved. All they have ever known is Catholicism. Sometimes it takes several months, for some even years before they will turn loose of their old dead religion and finally come to Christ to be saved.

We want to say thank you all for your faithful prayers and support of the ministry that the Lord has called us to. Without you, we could not do the work that God has called us to. We praise God for your faithfulness and ask Him to bless you mightily for your kindness shown to us His servants.

Your missionaries...
