

LIMAS IN NOVA MUTUM, BRAZIL

AUGUST-SEPTEMBER

Dear Friends,

As we see the world crumbling around us, we are even more aware of Ephesians 5:16. "Redeeming the time, because the days are evil. It is so easy to lose focus of eternity. Instead of being busy worrying about the political, economic, and moral decline around us, we need to busy worrying about the spiritual need around us. There is such a need everywhere and the time is now.

We celebrated 2 years in Nova Mutum in August. As much as we would love to see more souls and fruit, we are reminded that it is **God who gives the increase**. It has been a blessing to have several visitors coming to services. None have made a profession of salvation yet, but we are continuing to pray for them and to witness to them.

So many have been so burned out with religion and false teaching. We are finding that it takes time to build their trust and to teach them truth. **Please continue to pray for salvation of souls, and for wisdom as we witness and teach.**

We had been traveling twice a month to another city to continue Bible studies with a couple who moved there. This couple has been growing in the Lord and has been a huge encouragement to us as we see them taking steps in obedience to Christ. They recently decided to move back to our city. This is a big answer to prayer and such a blessing to us and our church! L will be training to help my wife with Sunday school, which is one of the things we had asked prayers for. **Please continue to pray they will continue to grow and follow the Lord.**

We are thankful for your prayers and support. As we often face spiritual battles, loneliness, and discouragement, it is your prayers that helps us to keep going forward. THANK YOU for praying and please continue to pray for us.
