**Reviving Baptist Churches**  
(A CHURCH RESCUE MINISTRY)

Dear Faithful Friends,

July, August, 2021

Greetings in the name of our precious Lord and Savior. I know I wouldn't be here today without His touch on my life. Thank God for His mercy and your prayers. I am still on a medical furlough and still have many doctors appointments ahead at the VA hospital. The treatments for my bladder cancer have just now started. I have had the first one and it went very well. Praise the Lord. Five more to go and then another scope to see if there are any tumors coming back. I am to have a cat scan on my lungs and another adjustment on my pace maker. Other than that I am doing fine.

I am still having the Wednesday night services at my home church and enjoying the opportunity to be a part of that ministry there. I love teaching and sharing the material that I have collected through the years. I also rejoice about the radio ministry five days a week at a local station. It can also be heard on the internet. Google, WGTJ then tap on listen live, then touch the arrow. Monday through Friday at 9:45-10:00 am. My home church, Rest Haven Baptist Church is supplying the funds for this outreach and I am very thankful for the privilege to teach and preach on the air.

I am feeling better than I have felt for several months and I am supposed to preach in a mission conference in Florida this month. This will be the first time to preach away from home since my heart attack. So looking forward to that and I am ready to go more if this old body will allow me.

Thank you especially for you prayers and financial help. So thankful for all that have contacted us with concern for our needs. You are special friends and may God bless you real good. Keep looking up.

In HIS service,  
Bro. Nye  
Titus 1:3
