We pray that you all have had as much of a wonderful summer as we have had. The Lord personally blessed us greatly this summer. We arrived in January of 2020 and in the following March, the entire country was closed. We were unable to leave our house for some time, but the country has been closed to outside travel since that time.

In June, Spain officially opened its borders to the US. We were very blessed to have family and friends here for practically the entire summer. It was so great to see parents, siblings, and friends. We were able to show them the beautiful place that God has allowed us to live. We were able to serve with them in services and by passing out gospel tracts. We are eternally grateful that God has given us such supportive families and friends. We know that there are those that do not have this type of support. God has certainly encouraged our heart by allowing us to spend time with so many people that we love. We, again, miss them; and we look forward to the next visit!

I wanted to give you a quick update on the church building. We have now tried to purchase 3 different buildings, and they have yet to work out. We are trusting the Lord to show us which building he would have us purchase. We need more space, and we are praying that we can lower our monthly payment. We know and understand that so many of you have given graciously and sacrificially to help us purchase a building for our wonderful church here in Palma. We could not be more thankful, and we are doing our very best to follow God's direction and use that wonderful gift in the correct way.

We looked at a new building this past Friday, and we are going to see another option soon. Please be in prayer with us regarding this situation, and we will do our very best to keep you informed. I haven't been able to update you as I'd like to, but we have not had a great deal of information to share. Thank you for all you have done by helping us with this situation.

The church is doing very well. We have had a new visitor the last 3 weeks in a row. We have some that our coming that, I believe, are in need of something and are searching. Thankfully, we have exactly what they need. Please pray that they will listen to the voice of God.

While our most recent visitors were here, we had the opportunity to not only travel around our island but also several cities on the peninsula. It was a wonderful time but a somber reminder of how many people there are in Spain that need the Gospel. There are so few here that are preaching that Jesus is the One and Only Way to get to Heaven. Pray that God will send laborers, or better yet, surrender yourself to the needy field of Spain.

Thank you for all you do for us. We love you and pray that God blesses you!

In His Service,
Jason, Jessica, Colton, Megan and Madison Stanley
