Dear Pastor and Church,

The past few months have been busy for our family. In our last prayer letter we mentioned our oldest son Benjamin having knee surgery to repair a torn meniscus, In late February our youngest son Samuel fell in the snow and re-tore his meniscus and had surgery in May to repair it, this was his third surgery within a year for the same problem. Please pray that he will recover and his knee will fully heal. The Church is doing well. We have had people passing through and they have joined us for Church services we are thankful that they made time to come and worship the Lord with us.

The past few weeks we have had a lot of wildfires around us and at times the smoke is really thick. Pray that God will keep us safe and that he will send some much needed rain for our area.

We want to thank you for your prayers and your financial support and may God bless you greatly. May our churches see the need for missions through out the world and also on our own shores.

In Christ's service,

Daniel Vaughn
