

THE LOWE FAMILY

YOUR MISSIONARIES SERVING IN THE BAHAMAS

JULY - SEPTEMBER 2021

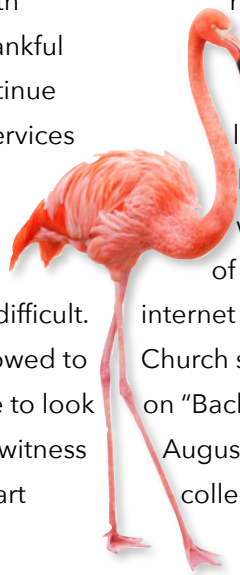

year and Ian's freshman year. Heather and I have decided that we do not like this part of the kids growing up. However, we are thankful that God has provided them with this opportunity. I would ask that you pray for my health. I came down with Covid last October and I have battled many of those symptoms for almost a year. I have seen several doctors and specialists trying to get some answers. So far I have only been diagnosed with Covid Long Haulers. It is a condition that many doctors are just now learning about. It is basically where my body thinks I still have the virus even though I have recovered. Some days even the most basic of tasks can be quite challenging and exhausting.

We have continued to push forward during these summer months. We are still under the emergency orders from the local government. The restrictions continue to have a great impact on what we can and cannot do with regards to ministry. We are thankful that we have been able to continue our Sunday and Wednesday services in spite of the new regulations imposed on "places of worship". Outreach and soul winning have been extremely difficult. We are currently no longer allowed to go house to house, so we have to look for other ways to purposefully witness to the lost. We were able to start

having our Friday Night Youth meetings for just a couple weeks before they changed the nightly curfew. We are praying for a relax in the curfew so that we can begin this needed ministry once again.

The local schools have still not resumed in person learning. The new school year began with online learning which is a disaster since many of the children do not have internet access. Each of our Junior Church students received a new Bible on "Back to School" Sunday. In August, both Audrey and Ian left for college. This will be Audrey's junior

PRAYER REQUESTS:

- Pray that the church will be able to fully resume all services and ministries.
- Pray for wisdom as we minister in 2021 still with many unknowns.
- Pray for Audrey and Ian as they are away at college.
- Pray for my health and our continued protection.
