October 2021  
Dear Friends in Christ,

I assume many of you have heard our sending church pastor, Dr. David McCoy passed away just a few weeks ago. He celebrated his 40th year on staff from the hospital and went home to be with the Lord the following day. I served with him for 13 years on staff. He is responsible for the current ministry of Church Rescue we are involved in. He will be sorely missed as our pastor and my friend, but we know we'll see him again!

What our home church has sent us out to do for other churches, I am now doing for them. We are working with them through this transition time and looking forward by faith what God has in store for Peoples Baptist Church. We are not discouraged, but excited as we have already seen what God has been putting in place. Please continue to pray for our church as we move forward by faith.

One of the churches we have been working with in the panhandle of Florida has called the pastor we recommended. It amazes me how God steps in and works out all the details and makes it so obvious that He is working behind the scenes for our good. We are so excited for them! They have already had a family join since he took the pastorate just weeks ago. We are looking to see God do great things concerning this church. Pray with us that God will help them throughout the days ahead.

One of the churches we were encouraging, just north of Tampa has called a new pastor I recommended. He has asked me to return to take part in his ordination service. What an honor that is for me!

Our thanks to all of you for your faithful prayer and financial support. We cannot accomplish what we do without you. May God bless you for your faithfulness.

In Christ,  
Alan & Patti Saunders
