Dear Friends and Supporters,

I trust that each of you are well in the midst of this pandemic. I have had several friends to die from Covid. Our routines have surely been affected. But our schedule has been busier than ever.

As for me and Diane, we have done well – no Covid thus far. We have been busier the past few months as I can remember in many years. For several months we have had back-to-back meetings in Salt Lake City; Knoxville; Providence, Rhode Island; and on and on the list goes. We have also been working with the Kenyan Gospel project. We have provided 10,000 copies of the booklets for the public schools of 7 African countries; and thanks to the Lord's people, we have money for another 15,000. We found it to be as cheap to have it printed in Kenya. They are being used right now. We still will need many more copies – a real open door.

After working many hours on The Church Conference: Church Rescue, Church Growth, and Church Planting (Ambassador Baptist College), we had to cancel it due to an upsurge in Covid. We plan to do it at a later date.

With all that is happening, I have seen many good things in the churches we have been in. I have witnessed God blessing His churches with \$10,000's of thousands of dollars in "additional missions giving."

Please keep us in your prayers. As I write this letter we are in a meeting in North Carolina and will be leaving this Friday for another meeting in Pennsylvania. God is good.
