# THE CAMPBELL FAMILY

## MISSIONARIES IN QUEBEC

Psalm 54:4 says, "Behold, God is mine helper: the Lord is with them that uphold my soul." We are often reminded that God is our helper and will provide all that we need to do His will. It is also a great comfort to know that we are helped by you through your prayers and financial support and we pray that God will bless you for helping us spread the gospel in Quebec.

We are amazed by what has been accomplished so far this year, and it can only be attributed to the grace of God. The spirit in our church is one of unity and love as we grow together in grace. We ended the summer by organizing two yard sales at the church, both of which gave us multiple opportunities to share God's love with our community. We distributed New Testaments and gospel tracts and were able to pray with people in need. Several who came to the yard sale also visited the church the following Sundays. We pray that the seed planted in their heart would grow and bring them to a saving knowledge of Christ.

We are also thankful for mature believers that God has added to our congregation in addition to the new believers who are growing and following the Lord. Our church family has a great burden to see their relatives come to know Christ and we ask you to help us pray for them. We have seen the Lord already at work in various ways to bring lost friends and family into contact with the Gospel.

It was my privilege just last week to perform my first wedding ceremony. The Lord has added to our church a wonderful young couple who has recently accepted Christ. Many of their friends and family attended the wedding despite the hesitancy that is common among Quebecers to attend a religious service. We ask you to pray for Coralye and Vincent that they would continue to grow in their new faith and keep Christ at the center of their marriage. Pray that God would use them to reach their family and friends.

God has multiplied the number of children in our church over the last year and we ask you to pray for this young generation that they will be rooted in Christ. We have also recently added Sunday school class for teens where we are studying what it means to be a soldier of Christ. Pray that these young people will be strong in the Lord and seek to serve Him with their lives.

We are thankful for the good health the Lord has given our family and the strength to fulfill our various responsibilities. Our homeschool year has started well and we ask for your continued prayers for what we consider to be our most important ministry. With the church projects completed we have now begun a much needed addition to our house. Please pray for this project that we can find all the materials and labor needed at a reasonable cost. May God bless you all abundantly!
