

THE HART FAMILY IN COLOMBIA

**November - December
2021**

Dearest Brethren Who Pray In Love And Patience Of Hope,

We are greatly blessed that you pray for us and continue to patiently pray. We serve a loving Savior who is evermore with us as the world becomes spiritually darker.

Thank the Lord, the music festival was over a couple of weeks ago. Now it will be interesting to see what Christmas will be like. The economy here has been so bad for some, that a Venezuelan family visiting the Church that had been here a few years went back to see if things are better there.

Obstacles

The lack of security here seems to grow every day. The daughter of a Church family was thrown from her motorcycle and robbed while she and her young daughter were traveling. The young woman (Natalia) had scrapes, cuts and bruises on various parts of her body, a blood clot on her head, and a broken tooth. People sometimes react in fear when going out at any time of the day. Pray for the Lord's guidance to help us deal with that.

Blessings

We have had baptisms. Thank the Lord, seven followed the Lord in believers baptism. One is a young man named Jorge whom Martha was able to lead to the Lord. We hope to have more in November and have the Lord's Supper. We continue to knock on doors sharing tracts and are seeing professions of faith. We ask for your fervent prayers.

Thank you for your prayers for Julio Cesar. With chemotherapy, he was very weak and fell twice and received a blow to his face. Glory to God, he is getting better and stronger with his cancer in remission. He plans to attend Church this Sunday and wants to follow the Lord.

Challenges

We go onward while things are slowly changing and the authorities change the rules. We are having men's, women's and youth meetings. A missionary arrives next month to share with us. The Lord is in control and we look forward to continuing to proclaim His Word. Although the economy is bad, the price of real estate has not dropped. Please help us pray for workers and for the Lord to provide land or a building for the Church.

Personal

Thank you for praying for my mom and Hannah. Thank the Lord, my mom is doing better, but she still needs more checkups after hitting her head. We want to thank everyone who has been praying for Hannah and encouraging her. She has never spent much time away from us and everything is new to her. It is by the grace of the Lord that she is moving forward. We plan to have her with us in Colombia during the Christmas and New Year holidays. Thank the Lord, she loves to learn. We ask for your prayers for Hannah's health.

Our' Gratitude

We trust that you will be able to spend Thanksgiving, Christmas, and the New Year with friends and family that are close to you. May His goodness and grace give us all the opportunities to grow in knowing and serving Him. Thank you for the Godly time you spend in prayer for us and for giving from your hearts.
