OCTOBER 2021

Greetings from South Korea!

We praise God for many blessings in the midst of coronavirus pandemic. He has been our shield and our protection from the virus infection. Many churches have online services instead of regular services. Everything is unstable and insecure but the Lord is same yesterday, today and forever. Thank the Lord for His presence with us.

The second week of the last month was the holiday season for the Korean thanks giving day. Many people travelled to visit their parents, relatives, the grave yards and bow down and worship the spirit of ancestors. Most of them are still lost and need to trust Christ

We have a church member going through a lot of sufferings because of prostate cancer. He and his wife trusted the Lord and were baptized a few years back. Our daughter, Pearl has a special prayer request. Her father in law is going through a lot of pain from a liver cancer. He needs our prayer for physical healing and especially for his own salvation.

Deep gratitude goes out of my heart to you for your faithful prayer and support for the work of the Gospel and for His glory!

Because of Calvary,
