

JERRY & DEE NYE

Reviving Baptist Churches
(A CHURCH RESCUE MINISTRY)

Dear Praying Friends,

September-October 2021

I trust that the Lord is blessing you in spite of this chaotic world we are living in. This Covid disruption has turned this world upside down. Thank God we can stay right side up through His power and guidance. Praise the Lord anyway.

Again, I have good news and bad news. The good news -I am still alive and growing a little stronger each week. Some of my energy is coming back and I am doing some projects around the house. My pastor is still giving me the Wednesday night services since May. My home church is still funding my radio program five days a week. These are a little stressful at times, but God is helping me get through the hard days. I mentioned in the last letter that I was asked to go to Florida to preach a missions Sunday at High Springs Independent Baptist Church. I taught Sunday School and preached both services with great liberty and God blessed. Their faith promise increased considerably, and they took us on for support. This is the first time I have preached away from home since my health issues, and it went well. Another blessing was out on visitation with a young man who just surrendered to preach. He is our pastor's grandson. We had three professions of faith, and I was glad to be able to go out with the church visitation team knocking on doors.

Now with the other news. I finished the six bladder treatments with no side affects or problems. Last week they went in with the camera again, and my cancer is back with six more tumors. I am scheduled to have surgery again December 15th. After that, six more bladder treatments and then another scope. I still have other issues but that one is my main concern. Thank you for your prayers and support. God has a reason for this and I am thankful for life. My major heart attack was a year ago this month and I have been told that I am a walking miracle. God is still in the miracle business, and I praise His name for keeping me in His business.

In His service,
Bro. Nye
