John 4:35 – *Say not ye, There are yet four months, and then cometh harvest? Behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest.*

Where can I even begin with this letter? The Lord is mighty and faithful! He does so many wonderful things! I am so grateful that I get to be in His will and watch Him work every day! First, I would like to say, again, a tremendous thank you for all of those that have been praying and for those that gave toward the purchase of a building for the church here in Palma. Iglesia Bautista de la Comunidad now owns an amazing building!

Because of the generous donations of churches and individuals all over the US, we were able to pay for the complete purchase of our new building. We also met with the contractor this past week to discuss the renovations that will need to take place. We are so grateful for the heart and generosity of our supporters. Thank you again for your generosity in giving for this church! We are praying that the renovations will be able to take place quickly, and that we will be able to begin holding services in the new location very soon.

Our new location will be very central. It is in a great area where, I believe, we will be able to reach out to even more people. Many in Palma must use the public transportation system or walk everywhere they go. That being said, this location will make it much easier for many people to get to the church.

Now for more exciting news! We were able to have our 2nd annual missions conference this past weekend. We were able to have our supported missionary in Mexico come to preach the missions conference, and he did a fantastic job. So grateful that we have a church that understands how important missions is! We also had an increase in our faith promise this year, and we are looking forward to what God will continue to do through the church in the area of missions around the world!

The pastor of our church, the missionary that we are working with, also announced to our people that this month we will be starting a Bible study in another city on the island. Lord willing, we will be meeting in the city of Manacor once a month for the next several months; and this Bible study will grow to be the second church plant on the island of Mallorca. Manacor is about 45 minutes away from Palma by car.

We have been praying about this second church plant for some time now, and this past month our church was contacted by a man in the US. He stated that he had been communicating with a lady on the island of Mallorca and that she was looking for a good Baptist church in which she could attend. Amazingly she lives in the very city where we are planning to begin this second work. It is unbelievable watching the Lord work!

We are so grateful for everything that is happening, and we are praying fervently that God will continue to have His will in our lives. We love you all so very much and could never express the immense gratitude that we have for every one of you. Thank you for your continued faithfulness! We pray that you have a great holiday season! Happy Thanksgiving and Merry Christmas!
