Reaching Orphans for Jesus Christ

## August/September 2021

In August, we hit the ground running. Only 5 days after coming back from our survey trip we were in our first church of the month in Henderson, NC. We were privileged to sing, present our ministry, and hear our director, Dr. Scott Caudill, preach. During our first week back from South Africa, we gained two supporting churches!

Traveling non-stop is always adventurous and sometimes stressful. We had an eventful day in Crossville, TN, when our truck would not start one Sunday morning. After getting a jump-start from some kind folks, we arrived at church a little late. Once the pastor found out what happened, the church replaced BOTH of our truck batteries! Our adventures continued in September with two blown tires in a span of four days. God was faithful to protect us and provide funds for replacements. **Thank you to all those who continually pray for our safety!**

**August brought in a new school year for the children.** Savannah (9) began fourth grade and is loving her new curriculum. Eason (7) started second grade and has already jumped a whole reading level. Cullen (5) kicked off K5 learning the basics and being himself, the class clown.

The last Sunday in August was special for our family. We were able to be with Heritage Baptist in Jeannette, PA. Matthew graduated from the Christian school there and it was wonderful to be back with them once again. **Pastor Ross along with the entire church spoiled us, were most gracious to us, and voted to take us on for support!**

We ended August with Bro. Mark Fowler and his wonderful church family in Elizabethton, TN. The kids had a blast trying to trout fish on the VERY COLD Watauga River.

September was one of our busiest months to date. A highlight for us and especially Courtney, was to be at Tabernacle Baptist Church in Candor, NC. **Courtney had the privilege of working at the church camp for several years and was thrilled to be back while on deputation.** What a wonderful few days we enjoyed at the camp! Later in the week, we had the opportunity to attend church in downtown DC for a Thursday night meeting. This service is typically held on the lawn outside the Capital Building, due to bad weather we had to move it inside. Even though it was raining, God's Word shined bright, as His name was lifted up for that service.

We have been blessed to assist in churches in several ways other than just presenting our work. Savannah has been playing offertories or preludes on the piano more and more. The last Saturday in September found us at a community parade with East Sunbury Baptist Church. What a blessing it was to hand out over 6,000 tracts! Matthew also had the opportunity to share our ministry and burden on Gethsemane Global Radio, hosted by Gethsemane Baptist Church in Lexington, SC.

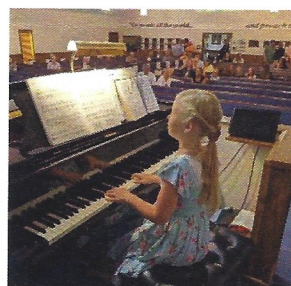

On a more personal note, Cullen has lost his first two teeth. He is so happy to start looking like Savannah and Eason do on occasion, toothless! Our family was so thrilled to finally get to spend time with fellow Little Fish Ministries team members, Brandon and Maggie Byerly and Brittney Schear! We are truly excited to serve with all the members of Little Fish Ministries. As we look to the near future, we are hoping to pass 50% of our needed support soon. Looking further out, we are thankful God has given us a fast-filling schedule through April 2022. **Would you pray the remaining open times would be filled so we might make it to South Africa in early summer?**

Thank you to all our supporters and prayer partners for all you have done for us.

Bro. Eddie Davis and Liberty Baptist were a huge blessing to us. They replaced both batteries in our truck!

Savannah has been playing offertories and preludes more often.

Cullen celebrated his 5<sup>th</sup> birthday on August 4<sup>th</sup>. He was so happy with his cake and time with grandparents!
