December 9, 2021

Dear Friends,

First, Diane and I want to wish you all a very Merry Christmas. God has been faithful in 2021, as He always is. He surely blesses us when we are not deserving. God is the greatest giver I know. We thank Him for both WHO He is and for WHAT He does for us and our family.

It certainly has been a very busy year. I believe churches have been helped, 10s of thousands of additional dollars raised for missions, people have been saved in our services and people challenged. There has been no overseas travel this year due to Covid-19. We hope to get into Europe in late spring or early summer of this coming year. Pray!

God has blessed us with generous churches and individuals to supply over \$40,000 toward the Gospel Kenyan Project booklets tailored to high school students in the public schools of Kenya and surrounding countries. We have already placed 10,000 copies in their hands. A second printing of 10,000 should happen after the first of the year. I have been asked to revise this booklet and make it for use in America. If you are interested in using this booklet, you can have them for cost. The Kenyans are using them with students in high schools and universities and also with their adults in their churches.

God bless you all and thank you.

Yours in Christ,

Roger and Diane Baker
