## To our Beloved Brethren in Christ,

November 2021

**Our Report:** During the month of November the Lord has enabled us to continue travelling and enjoy some needed rest as well. We were in 9 different churches throughout GA, SC, NC, OH, and TN (7 of which were to present our burden and/or preach the Word of God). It is always a privilege to share with the churches what God has called us to do in Oregon and the Northwest USA. We did have 4 more churches to partner with us this month—Hallelujah!

Benjamin had some follow up work for the neurological issues which appeared back in July. The Lord continues to give grace as we still have no answers. There are some residual issues, but they are minor and manageable—Praise the Lord. Noah had some needed dental work done this month and came through the surgery well. Carrie, Elsie, and Emma are all doing well and are such faithful followers and helpers in the work of the Lord.

We would mention a man who moved out to Oregon and is in need of a good church. Through his Pastor, we were able to point him to a couple of good churches that were within an hour of where he now lives. This has been new to this brother, as he moved out from the state of South Carolina. Please remember him and then reflect on how the Western USA is in desperate need of the Gospel and churches. Maybe God would have someone, or even a whole family to be sent out from your church to help us work in Redmond, OR. The request of our Lord is still very valid and vitally important to remember—"Then saith he unto his disciples, The harvest truly *is* plenteous, but the labourers *are* few; Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest." (Matthew 9:37-38). Would you pray for more laborers throughout all of Oregon and the Northwest USA.

## **Our Requests:** Please pray for the following requests – and Thank You.

- that the strongholds of Atheism and unbelief would be pulled down throughout Central Oregon.
- that the souls of those living in and around Redmond would be softened and made ready for the seed of the Gospel.
- that the word of the Lord would have free course throughout all of Oregon
- that we would be used of God to give men a clear view of eternity, and of Christ and His Cross, which provides the only remedy for man's sin.
- that the power of God's conviction would be present in our preaching and witnessing.
- that all of our children would come to salvation while they are young and tender.
- that we would be able to find affordable housing in the vicinity of Redmond, OR.
- that our schedule would fill up for Jan 2022 – April 2022.
- that we would remain faithful to the Lord no matter the cost.

**Our Rejoicing:** We continue to rejoice in the goodness and the greatness of our God. The Lord is so faithful, and He is seated high above the earth, enthroned in the Heaven of heavens with all things working according to His eternal counsel. He will never be dethroned, discouraged, disheartened, or defeated. We are also rejoicing in the churches and individuals which God has given us as partners in the fellowship of the Gospel Ministry. **Thank you for standing for the Lord, and standing by us throughout the months of our deputation.** We seek to rejoice in our Lord's virgin birth, vicarious death, and victorious resurrection all year long. In a special way, we do set ourselves to remember Him during the month of December. With Him in mind, we say to each of you—Merry Christmas and Happy New Year!

**May God forgive our sin  
and heal our Land!!!**
