

### November and December Prayer Letter ( One Year Update)

Let me start off by thanking all of you who helped us pray! After we sent out a prayer request to reach 50% support by the end of the year, we received word we had made it to 52% by the end of November. We have since gained more support and are now at 53%. This is because of your faithfulness to pray for our ministry and your love and support of our family. I cannot thank everyone or God enough for helping us meet this milestone in our deputation endeavors. Our Lord and Saviour is truly an Ephesians 3:20-21 God!

The past 2 months have been wonderful. We had the opportunity to attend 31 meetings and my wife had the chance to lead another lady to the Lord. We Pray all of you enjoyed Thanksgiving and Christmas as well as The New Year with your families and Church families as we did.

In the year of 2021 we were able to be a part of 193 various services and present our burden for Wallace, Idaho. We traveled mostly in Georgia, South Carolina and North Carolina with a few stops in Tennessee so far. We also made that huge loop around the United States this past July and made a visit to Wallace for an extended period of time, all while partaking in meetings there and back. We also met with a Realtor to window shop and get ideas of where and how we may begin the church in Wallace. The Lord also gave us souls for our labor. We got to see 14 souls saved in total, and this is fruit to your accounts as well. Our prayer is to see more saved as we continue and hopefully complete our deputation in 2022.

Our schedule is filling quickly and we are very excited to see what God will do in 2022. Thank you all for your faithful financial support, prayers, calls, text and encouraging words as we get closer to reaching Wallace, Idaho with the Gospel of our Lord and Saviour Jesus Christ. If you would like to have us come back to do an in person update, please don't hesitate to reach out to me.

Blessing to all,
