Dearest Children and Heirs of God, and Joint-Heirs with Christ,

We thank the Lord for another opportunity to come to you in the form of this Prayer Letter. We trust that the Lord has been with you this Thanksgiving, Christmas and New Year with His presence to guide you and your' family.

Here in Valledupar, this is the windy season with less rain. It is the time for flying kites. The mango trees are full with some at times making a loud sound falling on cars. The economy is still pretty bad with businesses closing and inflation at about 5.3 percent.

Happenings

Bro. Wilesme also returned to Venezuela with his family. We all learn to depend on the Lord. Without prayer, we would not be able to be here and minister. A single mother that was born in Venezuela has transferred her membership to become a member here. Please pray for María de Los Ángeles that the Lord provide for her and her two children as she continues to trust the Lord.

The Work

As the economy is restarting, we find there is a lot of work to be done. This year, we will carry out evangelistic meetings and reach out to other neighborhoods. We have evangelized close to the Church, but the Catholics seem more resistant.

In spite of some adverse conditions, we continue to keep going with a couple of people saved recently at Church, observing the Lord's Supper, and still hoping to plan other baptisms soon. We have had men's and ladies meetings, and the first youth activity in nearly two years. With the support of adults that showed up, there was a good number of people attending. Bro. Simeon is preaching, and we are hoping he will be able to do more in the Church this year. Please help us pray that the Lord provide workers and a property for the Church.

Prayer Needs

Thank you for your prayers for Julio Cesar. He has been receiving chemotherapy and attending Church. Please pray for Bro. José who has a stomach condition and was vomiting blood. Please continue to help us pray for Bro. Jorge. He has been very busy working, but continues to attend with his family.

Our' Family

Thank you for praying for my mom. Thank the Lord, she celebrated her 87th. birthday in December. I will be looking to have a surgery in the early part of this year. I have something that is affecting my feet causing problems in my ankles and my back. Please help us pray for that. Thank the Lord, my skin cancer has not come back. Also, please continue to pray for Hannah. She will be going back to Pensacola near the end of January.

Thank you for the dedication you have in praying for us. Thank you for giving from the love of your hearts. Thanks for the cards, letters and special offerings. May the Lord help you grow closer to Him in doing His will in 2022.
