Christmas 2021

Greetings in Jesus' Name:

We just finished a refreshing Christmas Revival with Guy Roberts of Concord Baptist in Pickens, SC. It is our first Revival since COVID, and it was good to hear from heaven! Many were encouraged in the Lord, including the Preacher!! Please pray that we could shake off the fear of COVID and serve God with boldness.

We continue to renovate our building, and Winter reminds us of our old Boiler. Please pray it would make it another year or two. We have started a Boiler Fund, but it's best to repair it in Spring when prices are lower. The new ladies room is completed and looks great. A roof leak that plagued us for years has been fixed, but a leak on the other side with mold issues has arisen that could prove costly to fix...but God is able!! Perhaps pray about sending a work team to help with repairs?!?

Please continue to pray for our people:

Andrew: his addiction issues continue and he is out of Church. Please pray he would finally surrender to God and live for Him;

Felix: seems to be growing and is faithful on Sunday mornings. Pray he would attend mid-week and enter the discipleship program;

Efram: is just about finished discipleship and is excited to be joining soon. Please pray he would continue to grow and begin soul-winning;

Celines: is facing many health issues. She made a profession of faith, but is very emotional. Pray for stability in her life, as well as commitment to Church;

Una: has a Pentecostal background, but seems to enjoy the services. Please pray she would ask more questions, and would commit to Biblical truths;

Aiden: a teenager who strayed and came back during Revival. Please pray he would mature in the Lord, and be willing to put the past behind him;

Uriah: made a profession but have not seen her lately. Had a cancer scare that seems to have passed. Pray she would serve God in the storm or in the sunshine.

Richard is recovering from a third hernia-repair surgery. Doctors have several thoughts on why this issue keeps repeating, but all agree he needs to rest. Please pray for a complete healing. Maggie's health has improved dramatically after getting some scary reports about her diabetes. She is now super strict on her diet, and that has helped immensely.

Thank you for all of your prayers and faithful support that make our ministry possible. COVID has been tough, but Jesus is Forever Faithful. Thank you for all of your cards, letters and special gifts at Christmas...they encourage us greatly.

Because He Lives,

Richard & Maggie
