

LIMAS IN NOVA MUTUM, BRAZIL

Dear Friends,

As we begin a new year, we are thankful as we look back at all the Lord has done for us in 2021. It was a year of joy, hardships, growth, and learning. We are thankful for His presence each day. He has been so faithful! As we look forward to 2022, we don't know what awaits, but we do know **He will continue to be faithful!** Our desire is to serve him better this year, May He find us serving faithfully. We have been encouraged by these verses in Psalm 126:5-6; "They that sow in tears shall reap in joy. He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves with him." What a precious promise! We are clinging to this as we look forward to 2022.

Many of us and around us are sick since the end of the year. This has drastically reduced our already not big number in our events. We are praying that God will heal and we can get back to our normal. We

currently have brother Marcio (pictured left at his baptism). He and his family are faithful in church. He is in the hospital and isn't doing well. Would you please pray for him and for his family? We are helping watch their two children while his wife works. Please pray for his swift recovery and that he will be back to his family very soon.

This week we will continue our Bible studies after taking a break for the holidays. Saturday is a church wide canvassing and visitation event. Please pray God will do a mighty work. The spiritual darkness and sickness around us grow daily. We are burdened to be a better witness and work before night comes.

Thank you for your prayers and support on our behalf. We couldn't do it without you. Thank you for the Christmas cards and special Christmas gifts many of you have sent. We feel honored and loved. May God bless you in 2022 and may we continue to be faithfully and joyfully serving until He comes!
