

THE LOWE FAMILY

YOUR MISSIONARIES SERVING IN THE BAHAMAS

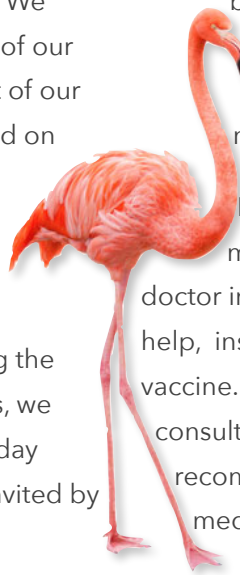

NOV - DEC 2021

begin to get my health back. We will be leaving the church plant in the hands of a young national couple. They both have graduated from Bible College and are very faithful. He is a tremendous soul winner and we are excited to see what God will do with them during these next couple months. I will be in constant contact and will be assisting how and when I can. He feels that God has called him to pastor and perhaps he will be the man God will want us to turn the work over to eventually. Please pray for us to have wisdom regarding a potential transition. I am not sure why God has allowed my health to be poor. We are trusting Him and desire that He is honored and glorified through it all.

As we come to the end of another year, I am thankful to see how God has continued to use our ministry, even during a global pandemic. We are still extremely restricted because of the local government's mandates. We have been able to reinstate all of our regular service times, but most of our ministries have still been placed on hold. For example, we are not allowed to go out house to house soul winning. So we have had to look for other opportunities to witness during the week. In the last several weeks, we have had six men visit our Sunday morning services. They were invited by

some of our church members that they work with. Four of those men walked the aisle during the invitation and accepted Jesus Christ as their personal Savior. December is usually a busy month; but again, we have been forced to cancel all of our regular outreach ministries.

In our last letter I mentioned my health. I have finally found a doctor in the States that is wanting to help, instead of just trying to force a vaccine. We have prayed and consulted with our Pastor. He has recommended that we take a short medical furlough to see if I can

PRAYER REQUESTS:

- Pray that the church will be able to fully resume all services and ministries.
- Pray for the church while we are away.
- Pray for Audrey and Ian as they are away at college.
- Pray for my health and our continued protection.
