

November-December 2021

Dear Pastor & Praying Friends,

We wish you all a Merry Christmas and a Happy New Year! It is hard to believe that 2021 is almost gone and we start a new year. May we walk with the Lord and keep serving Him faithfully in 2022.

We are always thankful for your faithful prayers and support for the work down in Cordoba, Argentina and for our travels. We made it to the US at the end of November! We are so grateful we were able to travel with no complications. We are visiting in the Rio Grande Valley where my in-laws live and have had three meetings since we have arrived.

We would also like to share some events that happened at New Hope. At the end of October, we celebrated New Hopes Baptist Church's 3 year Anniversary. We had several guests who visited us for that special day and invited a local pastor, Pablo Sanchez, who gave the Word and encouraged the church family to keep going forward.

Early in November the ladies enjoyed a special day with the Annual Regional Ladies Meeting. We had several churches attend and over 60 ladies come from different parts of Cordoba. Hannah was able to teach the ladies and it was a great time of encouragement for all who came.

David was able to lead a young man Jeremias to the Lord. We have started discipling him. He has a Pentecostal background but is understanding the importance of sound doctrine. Pray that he will grow in the Lord. He is one of the men that are disciplined in the picture on the left. Also, we are very excited about another young man, Fabrizio, who is very involved at the church and growing every week.

Please be in pray for our family as we begin our furlough travels in January. Also, we beg your prayers for New Hope Baptist Church back in Cordoba, Argentina and Bro. Exequiel who is overseeing the work in our absence. Even through the long distances, we are staying connected through video calls and messages with Exequiel and the church family.

Thank you so much for all that you do for missions and the cause of Christ down in Argentina! God bless you!
