

**Matthew 5:16 Let your Light Shine!**

**PERSONAL TESTIMONY.**

I was saved by God's grace on Sep 5<sup>th</sup>, 2009. The Holy spirit convicted me of my lost condition and showed me my need of salvation. That night I accepted Christ as my savior and I have not regreted that decision one time. I later surrendered to preach on Sep 22<sup>nd</sup>, 2009. It is such a joy to serve my Lord and to walk in his way. I am Amazed that He would save and humbled that we would use me. At the age of 12 I surrendered to be a Missionary and asked the Lord for direction as to where he would have me to go. In January of 2014 I had the opportunity to travel to Mexico and immediately fell in love with country and the people. I have been serving in Mexico now for 7 years and I am so thankful for what God is doing.

*Dear Churches and Fellow Laborers.*

*I believe it is safe to say that at the beginning of each new year we all stop not just to reflect on what has been accomplished but look ahead at what we wish to accomplish.*

*I am thankful for what God has accomplished in 2021.*

*Countless souls have been saved, A Bible college started in Guadalajara, MX with 22 students, another church planted in Veracruz, MX,*

*10,000,000 tracks are in the process of crossing the border to be distributed to the churches of Mexico.*

*Never before have I seen a nation so hungry for the Gospel. With every trip I take and every soul that accepts Christ as their saviour. I stand amazed at the power of God at work in Mexico.*

*I ask that you please be in prayer as I will be traveling to Mexico*

*Feb 21<sup>st</sup>- Mar 7<sup>th</sup>. While in Mexico I will be visiting with national Pastors who I will be helping to run a Youth camp in July with 500 young people.*

*This is a great opportunity to reach these kids with the gospel, and encourage them to give their lives to God.*

*This life is the best life worth living. I CHOOSE to be a christian, I WILL Follow CHRIST, and I pray 2022 will be the best Mexico has ever had.*

Sincerely Jeb Bidy
