February 2022 Prayer Letter

Dear Pastor and Church Family,

Greetings in the name of our Lord Jesus Christ! We trust that all is well.

First of all, let me thank you for your faithfulness and prayers for us these days. They have not been easy. My wife Debra has been in the hospital here in Greenville, South Carolina six times since summer. The doctors have found what has been causing the nausea and vomiting. Debra's magnesium and potassium were so low they had to replenish them by IV. Each time she was very dehydrated.

Our daughter Tennille came for three weeks in December to help with doctor appointments and future care needs for my wife. We have gotten Debra's medicines changed that could have been causing the nausea and vomiting. Debra takes potassium and magnesium pills twice a day along with iron and vitamins D pills. Debra is doing better at this moment. The confusion and loss of memory could be Louie Body Dementia.

Now to Iquique, Brother Marcelo is like Luke to me. He has been by my side to help me when many became a Demas. I want to return there to ordain him as he has been doing the ministry all this time. The coronavirus has hit Chile hard with all the lockdowns. Please pray for me as I plan this trip.

Please pray for Brother Marcelo and his wife Carla as they deal with a family issue that has broken and burdened their hearts greatly.

I want to thank you for your Christmas gifts. They have helped to pay hospital and doctor bills.

Thank you for your prayers and faithful support.

In Christ's Service,
Your missionaries,
Curtis and Debra Couch
