Mrs. Hamby recently asked me to send in my prayer letters from last year. She asked me to send them to you.

January 2021

This is the day that the Lord has made we will rejoice and be glad in it. Psalm 118:24

Praise the Lord for a Great year! 2020 has been full of challenges but also full of Gods blessings! I am thankful for the ways God worked in 2020 and I look forward to seeing what God will do in 2021. During my travels this past year I drove approx. 5,000 miles across 3 states, shared my ministry in 30 different churches and am now at **37% of my needed support!**

Thank you for everyone who has prayed for me and supported me this past year. I have enjoyed this opportunity to fellowship with other Christians and see how the Lord is working in each of their churches. The last few weeks of 2020 were spent getting to reconnect with my church family and getting recharged for the next stage of deputation. I have already been able to schedule many meetings for 2021 and would love the opportunity to come and share with your church!

~I will be in Southern California January-February and again in the Fall. ~I will be in Northern California March-May. ~I will be in Oregon and Washington this Summer.

The Ministry in South Africa continues forward! The Bergeys have been busy on the LFM property clearing the land in preparation to build. Our hope is that this property will be used to reach many boys and girls for Christ!

Will you pray that I can be in South Africa by the end of this year?!
