Dear Praying Friends,

Philippians 1:2-3 Grace be unto you, and peace, from God our Father, and from the Lord Jesus Christ. I thank my God upon every remembrance of you.

The past two months I have had many meetings in southern California, which has given me the chance to spend extra time with my church family. What a blessing to stay connected with my church family and visit other churches in this region.

I also enjoyed some time with family as we celebrated Christmas in January this year. In particular, I enjoyed spoiling my one year old nephew! *I am so thankful the Lord gave me this time of reconnecting with friends and meeting new ones. I have gained many friends, supporters, and prayer partners.*

Looking forward, I have many meetings in California this spring and then meetings in Oregon and Washington this summer. I am thankful to God for His provision of health and safety during my travels.

The ministry in South Africa continues to grow and thrive!

Construction workers have been busy working on the Little Fish Ministries property. They have been adding on a third bedroom and additional bathroom

to the cottage, that will soon become our first home for orphans! As the cottage expansion is nearing completion, plans have been made for the children's playground. *Construction will soon commence on the playground structure and we are excited to create a haven for abandoned children with a safe place to play, grow, and learn about Jesus.*

In January, my teammate Lorna Mitchell arrived in South Africa. She has enjoyed reconnecting with the children, getting settled into her new home, and jumping into the ministries there.

LFM also adopted 2 baby dwarf goats, Milo and Millie! These are the first two animals of our therapy farm, a wonderful place for little ones to experience the joy of animals.

Abundant Life Baptist Church in South Africa is growing and thriving! *Just last week a lady was saved during the service!* The church also just finished expanding their building, making room for many more people to come hear the gospel. I am excited at all the ministry opportunities ahead.

As I look ahead to moving to South Africa, I have begun saving for my travel/set up fund. I will not only be raising funds for my personal needs (such as a vehicle), I will also be raising funds for ministry supplies for the Christian school. I will be sharing more about this need this year, but if you feel led to give, please designate "travel/set up" for *Brittney Schear* at <https://portal.icheckgateway.com/MacedoniaWorldBaptist/> or send a check to the address below.

Thank you for your love, encouragement, prayers, and support as I strive to be back in South Africa by this fall!
