***Praise God for a wonderful Summer!***

This past summer was spent travelling to churches in Oregon and Washington. I am thankful for God's safety and provision during this busy time of travel. What a blessing it was to meet so many faithful Christians as well as gain many new supporters and prayer warriors. I am thankful for these faithful friends who faithfully support me and pray for me.

In July I was able to surprise my parents by flying to California for the weekend to spend some time with them and my siblings. We were very thankful for this brief time all together as a family.

A big blessing from the summer was a message I received from a friend I know from College. *She was texting me on behalf of her pastor asking if I was available to visit with their church in Los Angeles for their missions Sunday. I was able to visit with them in August and the church intends to take me on for support.*

It has been wonderful to be back in Southern California these past few weeks. I have gotten to reconnect with my church family, visit churches in the social region and rest before a busy fall season. *This fall I have meetings in California from Sacramento to Los Angeles and many cities in between. Thank God for a*

full fall schedule!

I am at 55% of my needed support and am praying that I can be in South Africa As soon as possible! Please join me in praying that I can achieve this goal!

Plenty of building is taking place at Little fish Ministries. There are currently 3 buiding projects underway. These buildings will enable us to grow our ministry as we seek to reach the orphans of South Africa for Christ.

Abundant Life Baptist Church is growing and thriving. They have recently started an online Bible Institute with 6 students enrolled.

Many people have asked how they can donate towards the ministry and if there are things I aim to purchase before going to South Africa. Much of the necessary supplies for setting up a home and classroom are available in South Africa. If you would feel led to help you can make a financial donation to help purchase these things in South Afrca. please designate "travel/set up" for Brittney Schear at <https://portal.icheckgateway.com/MacedoniaWorldBaptist/> or send a check to the address below:

Thank you for your love, encouragement, prayers, and support as I strive to be back in South Africa very soon!
