

Matthew 5:16 Let your Light Shine!

JEB BIDDY

Missionary to the country of Mexico.

Nov-Dec

PERSONAL TESTIMONY.

I was saved by God's grace on Sep 5th, 2009. The Holy spirit convicted me of my lost condition and showed me my need of salvation.

That night I accepted Christ as my savior and I have not regretted that decision one time.

I later surrendered to preach on Sep 22nd, 2009. It is such a joy to serve my Lord and to walk in his way. I am Amazed that He would save and humbled that we would use me.

At the age of 12 I surrendered to be a Missionary and asked the Lord for direction as to where he would have me to go. In January of 2014 I had the opportunity to travel to Mexico and immediately fell in love with country and the people. I have been serving in Mexico now for 7 years and I am so thankful for what God is doing.

PRAYER REQUEST.

Growth in our churches.
Wisdom and guidance.
Lost souls to be saved.

Dear Churches and Fellow Laborers.

I would like to begin by thanking everyone who prayed and helped financially so I could go to Mexico. I had a wonderful time during my 2 weeks in Mexico. I was able to see God's hand at work in a mighty way.

While in Mexico 350 people accepted Christ as their savior. I wish I could properly convey how God is working in Mexico but words fall so short. The gospel is being spread, the word of God preached, and the people are so open and ready to receive Christ. I had the opportunity to teach in the Bible college and go soul winning, and seeing the receptiveness of the people in Mexico is such a blessing. It is my heart's desire to do all I can do to reach Mexico with the Gospel. Please pray that the gospel will continue to go forth.

Also a special need in the ministry is a new 15 passenger van for the bus routes in Mexico.

The church in Guadalajara currently has over 100 people riding the buses to church and they are in need of more transportation.

Sincerely Jeb Biddy
