January-February 2022

Hello and greetings in the name of our Lord and Saviour Jesus Christ,

I am thankful to be able to announce that in January God allowed me to lead a man named Casey to Christ. Casey has been visiting the church for the past year and seeing him accept Christ as his Saviour is a huge answer to prayers. Please pray for him as he begins his walk with God and for me as I disciple him. Casey also has some circumstances in his life that we are asking God to work in. Your prayers for him are much appreciated.

been a great blessing. Sis Deanna has been doing a great job working with them, and they have been working really hard to learn the songs. I am thankful that we have a group of young people who want to do something for God.

Sis. Deanna has been cooking meals for a single mother and her two sons in our community for the past month and a half who is fighting stage four cancer and undergoing chemo treatments. We are praying that God will use this to allow us to lead them to Christ. They attended our Valentine's banquet last month, and one of her sons attended this month's youth night. Please pray that God will continue to supply both the groceries and the strength needed to keep this going for the next several months. I am thankful for a wife that is willing to help others in this way.

Thank you for your continued prayers for our family. Everyone has been staying healthy and doing well. Braylen has been attending our weekly discipleship classes and has been growing in the Lord. My boys still need to be saved. Dakota has been asking a lot of questions lately. Please pray for their salvation. Emmett has now reached the toddler stage and is into everything and always brings a smile to everyone he meets. Sis. Deanna's mother had to undergo a very serious surgery in January, and praise the Lord she is recovering very well and there was no cancer found.

Please continue to pray for our support. We were blessed to take part in the missions conference at Mountain Valley Baptist Church in Saluda, NC last month, and praise the Lord they took us on for support! We are now at 22.2% of our needed support. We thank the Lord for the 2% increase over the past month.

We would ask that you continue praying for Ned and B- that we mentioned in our last letter. God has been working in the life of B, but she still has a lot that God needs to work in her. Also be praying for a lady named Amber that needs to be saved.

We thank you all for your continued prayers and support.

In service for our Lord- The Hewett Family

Our weekly discipleship classes are still going strong, and God is allowing us to get into some meatier studies, and the folks are really soaking it up. One young man from the class will be attending the Who Will Go missions training camp with me on April 11-15 in Festus, MO. Please pray for this young man as he seeks God's will for his life. Also help us pray that God will provide the travel funds needed to make the 2,200 mile round trip. If you or your church would like to help with this need, you can do so by either sending a check to MWBM and mark it for travel expenses, or you can send it through paypal to calebhewett@gmail.com. Any help with this is greatly appreciated.

In February we were blessed to host a Valentine's banquet at the church. We thank the Lord for the great crowd, fellowship and food. God helped me to preach on "How to Build a Successful Relationship." One of our ladies from the church brought her Spanish speaking parents to the banquet, and their daughter was able to interpret for them as I preached. This was my first time doing this, and it really reminded me of the need for a solid Spanish speaking church in our community. Please help us pray as we seek the Lord's will and direction in trying to reach this people group that God has brought to our front door.

In March, we celebrated our one year anniversary of our youth night ministry. We praise the Lord for our largest crowd to date with several new faces and people from surrounding communities in attendance. God has truly blessed this, and it is something we look forward to every month.

God has been faithful to continue sending in visitors to the church. We praise the Lord for this. Just this past Sunday we had a young man named Conrad visit with us, and it was clear that God was dealing with his heart to be saved. Please pray for this young man that he will be saved soon. We have also been able to get our youth choir back going, and it has
