Dear Co-Labourers in Christ,

As we enter into this new year of 2022, we are looking forward to what God is going to do. This could be the year of our Lord's return. We know this could happen any day, but until that day we need to think of John 4:35b, "Lift up your eyes, and look on the fields; for they are white already to harvest." As I pull out the word "fields" I think of the countries around the world that need the Word of God preached. Also, my mind goes to the Northwest of our own country and all the towns upon towns that do not have a Bible preaching church. This also speaks of churches without pastors. We are thankful for the Scott Pannell family in Sioux Falls, South Dakota. They are our latest family to get to the field. Their new work is going great. Please keep them in your prayers.

We are working hard on the planning and getting things ready for our Northwestern Orientation School coming up in July in Buffalo, Wyoming. We have classes in the day for the adults and VBS for the children. Then we have services each night. We have invited Dr. Joel Logan from Tabernacle Baptist Church in Greenville, SC to be our guest speaker this year. We will have about 14 missionary families, along with our helpers who will do the cooking and the VBS. We also include the members of Buffalo Baptist Church.

My ankle is healed. I'm out of the boot and brace. I am still being cautious, trying not to reinjure it. It is good to be able to get around without the scooter, walker and cane.

We want to say thank you for your prayers and financial support. We could not do what we do without you. We love you. Keep looking up.

Because He cares,

*Rev. Wesley Hutchens*
