Dear Pastors, Churches and Friends,

We are thankful for all of God's blessing and the joy of serving Him. I hope this finds you rejoicing in God's joy.

I am writing in a way that I do not like to write. But I think this is very important. Part of what I do being involved in church planting in the Northwest is to have an Orientation School every three years for our church planters in the Northwest. This year we will have that Orientation July 11 -14 in Buffalo, Wyoming. This year we have fourteen families coming for this school. This time includes classes for the adults, Vacation Bible School for about 60 kids and preaching services in the evenings. So you can see it is a full, busy week. These families already serving in the Northwest will be traveling to Wyoming from Missouri, South Dakota, North Dakota, Washington, Idaho, Montana, and Oregon. The families on deputation heading for the Northwest will be traveling from South Carolina, Tennessee, and Virginia.

We have an account set up at Macedonia called USA Northwest. We have a few churches that regularly support this and some of our church planters also support it. These funds will take care of providing the food expenses, etc that is needed for the school. However, it is up to each family to provide for their own cost of getting there. For some of them it will take two days of driving each way and one night in a motel each way. I am asking if you could help with their traveling expense. I would not be asking, but with the gas prices going up I feel there is a great need. If you can send something, designate it for USA Northwest Travel Expenses. I will divide what comes in with these families. I am sure God will bless you for your giving. I want to thank you in advance for your help.

Please be praying for the Orientation school. Thank you for all you do for the Lord.

Because He cares,
