

LIMAS IN NOVA MUTUM, BRAZIL

January-February 2022

Greetings from Brazil!

Even though we are living days of uncertainty, we are so thankful for the hope we have in Jesus! We are thankful for the privilege of spreading the Good news of hope in Nova Mutum.

God is blessing the work here. We have seen two precious ladies saved since the beginning of the year! It was such an encouragement to our hearts. There are many others like Erika and Daniele who have been burned out by religion, living a life in fear and without hope. We are challenged and encouraged to keep witnessing and reaching the many others like them.

In our last letter, we asked prayers for Brother Marcio's health. The Lord restored his health and has used this to bring him and his family closer to Him. It has been a joy to watch them growing in the Lord! Our services have been such a blessing. We have had many new faces visiting. Please continue praying for salvation of souls. We continue discipling and giving out door to door invitations and are excited to see God working. In February, we had both men and ladies' meetings. We have several people who haven't come to the services come to these. Please continue praying that the Holy Spirit will convince them of their need of salvation.

Our family is doing well. The kids are all growing so fast, and they are such a blessing to our lives and a great asset in ministry as they easily open the door to conversations.

We are also thankful for each of you. Your prayers and support mean so much to us! Thank you for partnering with us,

In Christ, Alex and Jessica Lima
