June 2021.

Praise the Lord for His goodness and faithfulness. Nahum 1:7, "The LORD is good, a strong hold in the day of trouble; and he knoweth them that trust in Him."

The first half of 2021 continued the challenges of adjusting both personally and ministry wise. The children's school schedule was put on a rotation system with at least one child at school and another at home each day. There are also areas of regular ministry that are still restricted, but the Lord continues to work through the doors that are open. He has provided so that the food distribution ministry can continue, and we look forward to using this opportunity to be a witness for the Lord in these homes. In our last letter I mentioned an elderly gentleman who started to attend services through the food distribution ministry. In February he made the decision to receive the Lord Jesus Christ as Savior. Praise the Lord for His working and for those He has used to partner with us in this ministry.

Another point of praise is the salvation of a young lady who has been attending Solid Rock Baptist Church from the time we have been here. During the month of April, after a Sunday morning service, she confessed that she needed to be saved and she prayed to receive the Lord as Savior. Praise the Lord for being longsuffering and patient in drawing souls to Him. Please remember these two in prayer that they would continue in the Lord.

Together with this, the believers at Solid Rock continue to be faithful to the ministry of the Lord. Even though there has not been as much opportunity to fellowship together, they continue to grow together in the grace and knowledge of the Lord.

Presently we are not able to go out as a church group to evangelize but we encourage each other to use the opportunities which the Lord gives in our daily lives to be a witness and a correct representative for Him.

As it has been for the past ten years, June is our Missions Month. Because of the present pandemic, much attention has been given to the economic crisis which has resulted, but we cannot allow this to take our focus away from the mandate given to us by our Lord. Our theme this year is "Renewing our Focus for Missions". We are praying that the Lord stirs our hearts afresh to continue doing our part in this great work of taking the Gospel into all the world.

Once again we thank you for your thoughts, prayers and support for us and the ministry here in St. Lucia. We praise the Lord for you and your willingness to partner with us in this part of the harvest field. May the Lord continue to bless and use you for His glory.

Prayer Requests:
